COMMUNITY COLLEGE

Letter from the Editor

Through the long hours of taking pictures and organizing layouts there was also hours of laughter and unforgettable memory making to energize this staff to create the pride of putting together a book that will last a lifetime at ICC. Being apart of the mirror gave me a perspective of ICC where I was able to document each students journey throughout the year. I am so grateful to each yearbook staff member for their commitment and dedication to this team., espesically my co-editor Hannah Scott. I am also extremely thankful to C.J Adams for being such a strong mentor throughout my two years.. As students look throughout the pages, I hope they can see from every angle and persepective just how amazing this college is.

FROM EVERY ANGLE

The theme for the 2020 Mirror is "From Every Angle." At Itawamba Community College, there are several different classes, clubs, athletics, performing arts, and involvement activities for our students to enjoy. With this yearbook, we were able to capture each of these exciting events from every angle our school has to offer to create a lasting memory for each student. Throughout the Mirror, we have utilized different geometrical shapes into our design process to showcase our school. We, as a staff, believe that this yearbook will give insight into every activity and event that makes up Itawamba Community College, as well as preserve the memories created during the year.

Parents brought students to their home-away-from-home, while members of the ICC family greeted and assisted them with unloading and getting settled into the place that they will call home for nine months.

WELCOME WEEK

The 2019 fall semester kicked off with a Welcome Week to make students feel at home at Itawamba Community College.

Events were scheduled from Aug. 11-15 at all three ICC locations.

At the Tupelo Campus, students were invited to Find Your Classes with Coffee and Donuts, Burgers and Blues, Watermelon Wednesday and Snack and a Movie.

PRESIDENT'S TAILGATE

Itawamba Community College had a party, August 29, and a good time was had by all.

Alumni; local, state and county officials; members of the Board of Trustees and faculty, staff and students celebrated the beginning of the 2019 football season with the party in the Indian Grove.

There was food, lots of socializing and visiting and games for the children on the warm late summer afternoon. There were cheerleaders and Indian spirit and an opportunity for the visitors to get to spend some time with Dr. Jay Allen and his family as well as ICC's students.

The event has become an ICC tradition to kick off the Indian football season each year.

A red vintage truck filled with ferns marked the entrance to the festivities. Members of the ICC Indian Delegation, Alumni Association and Community Relations were on hand to provide a warm welcome.

COMMENCEMENT

In her career, Dr. Lynn Tincher-Ladner has been a waitress at Shoney's, a high school and community college teacher and computer programmer.

Today, she is the President and CEO of Phi Theta Kappa Honor Society, the oldest and most prestigious for students seeking associate degrees and credentials from community colleges and other open-access institutions.

In addressing the ICC Class of 2019 during two ceremonies, she offered practical advice.

"Cheers to you, the Class of 2019," she said. "After today you can call yourselves college graduates. To your employers, you can prove that you can finish what you start."

Tincher-Ladner emphasized the value of education. "It is no longer a luxury. It is a necessity. You have worked hard, and this class has earned over 36,000 hours of college credit."

She offered practical advice, "Do the jobs no one else wants to do. Always lead from where you are. Be patient. Value your skills and ability, and be your own personal board of directors. Don't make decisions alone."

2019

Approximately 550 graduates received degrees and certificates of completion during the May 9 ceremonies at the Davis Event Center at the Fulton Campus. Retiring instructors Ric Chandler and Betsy White served as faculty marshals. Ninety seven associate degree nursing graduates received their pins during a special ceremony the night before.

BSU WATER PARTY

The BSU Water Party was the first event I went to as an Indian and possibly the most fun! It is the perfect event to have in the middle of August in Mississippi. The water party is a tradition unique to Itawamba and I hope this tradition never fades because everyone should experience the soap and water slip n' slide!

PRESIDENT

DR. JAY ALLEN

In his third year as ICC President, Dr. Jay Allen said in an interview in September that his primary goal has been to "get a little bit better each and every day." And based on all of the recent recognitions and College advancement, he is exceeding his goal.

On March 2, ICC formally opened the Academic and Student Center. Additionally, the Student Activities Center at the Fulton Campus has been expanded with improvements such as new pool and ping pong tables as well as TVs.

A Robotics and Automation Systems Technology program will begin in August at the Belden Center, and ICC has partnered with area high schools in a Middle College initiative. In addition, the College has added volleyball to its intercollegiate sports as well as an Archery Club.

A report from the Institutions of Higher Learning also stated that ICC transfer students produce more graduates from the eight universities in Mississippi than any other community college in the state. ICC had the highest graduation rate at the college as well as the second highest grade point average among all transfer completers.

Dr. Allen's family is extremely important to him. "My job takes me away from the family (wife, Belinda, and daughters, Emma Grace and Mollianne) a good bit, but the great thing is there are a lot of things they can come and do with me."

COLOPHON

Itawamba Community College's 65th volume of the Mirror was sent to the printer on March 3rd.

The 11 member staff worked endlessly on the 2019-2020 edition to create a vivid representation of the college. In August, the staff decided on the theme "From Every Angle", and immediately started working towards the goal of completion.

This year's editor is McKenzie Cooper; co-editor, Hannah Scott; and director of photography, Madison Haley.

The editors and staff thank C.J. Adams tremendously for overseeing this project for the second year, as well as, Donna Thomas for taking the time to proofread and write copy for each spread of the yearbook.

In addition, we want to also send thanks to the Community Relations for their involvement and assistants throughout the year.

Lastly, the editors would like to express a special thank you to the staff for working so hard to complete the yearbook's latest volume and a congratulations on a job well done!
